YOUR VOICE IS VITAL TO HELP ENSURE CHANGE

The YR social audit is being organized by Poverty Action for Change Coalition (PACC) www.povertyacc.com along with York Region Food Network and other community partners. The stories are collected and acted on by ISARC - a network of collaborating faith groups who together form a powerful voice. ISARC has been conducting Ontario social audits since 1986 periodically, and publishes a (you can remain anonymous) book widely distributed and used to engage politicians. ISARC represents many, making it tough for politicians to ignore.

You are also welcome to just drop in to either location and enjoy some friendly company, nourishment and coffee or to access help and information.
