

## How to Play

1. Download and print your [BINGO card](#).
2. Each BINGO square (on the card) is hyperlinked with instructions to an activity. Complete the activity to mark off your square. Mark each completed activity square with an X or colour it in.
3. Make a goal together as a family. (i.e. Complete one square each week, or a line each week. Or complete 5 squares throughout the month! Whatever works for you.)

To earn a BINGO, complete 5 consecutive activity squares in a row to form a line. This could be vertical, horizontal, or diagonal across the board. (See below)

There are 5 incentives available for kids to enjoy throughout the challenge. Feel free to present them as you wish. For example, when they complete a line or even just a square. It's up to you. There is also a certificate of completion, you may print out and write their name on at the end of the challenge.

Incentive 1 – [Kids word activity booklet](#)

Incentive 2 – [Kids meal activity sheet planner](#)

Incentive 3 – [Colour by number activity](#)

Incentive 4- [Family Recipe Booklet](#)

Incentive 5 – [Basic Composting Kids Activity Booklet](#)
